

Homemade Kahlua

Ingredients

- 2 cups boiling water
- 4 cups sugar
- 3 ounces of a quality instant coffee
- 1 fifth of a good vodka
- 1 vanilla bean (slit in a few places along the length)

You will need a 2 quart container with a sealable top.
(do not use plastic)

Instructions

1. In a large bowl, mix the water, sugar and coffee together, making sure that the sugar is dissolved.
2. Add the vodka and vanilla bean; mix thoroughly.
3. Pour all the ingredients into the sealable container; seal; let sit in a dark place for a month (or longer). The flavor improves with time.
