

Cheese Toasts

Makes 16 to 24 appetizers

Ingredients

- ½ cup grated onion (finely chopped)
- 1½ cups parmesan cheese, grated
- ½ to ¾ cup mayonnaise
- 1½ tsp Worcestershire sauce
- Party rye or Pumpnickel cocktail bread

Turn oven to broil. You will need parchment lined baking sheet.

Instructions

1. Combine the first 4 ingredients; spread on bread.
2. Place bread on prepared baking sheet; broil until lightly browned.
Watch carefully to avoid over-browning.

Options

- I like to add a small amount (¼ to ½ teaspoon) of finely minced horseradish; it doesn't take very much.
- Garnish with sliced ripe olives, green olives, fine strips of sweet peppers or jalapenos.
- Can be prepared ahead, placed on baking pan, wrapped securely in plastic wrap and refrigerated. Set out 10 minutes before broiling.
- Try other cheeses for this recipe, maybe Gruyère, Swiss, or Cheddar.
